Personal Touch Story

Angel Talbot - Recreation Director

Angel Talbot has worked in our building since 2003. Over the years, she has touched many lives in our community. Angel works hard to make sure everything is taken care of. She spent many hours putting together our display for the community pumpkin walk. She also keeps our storage room organized, which enables us to easily find decorations and other things stored in that area. Recently, a resident went through a hard time, as she lost a beloved, long-time pet. Angel was able to empathize with this resident and did a lot to comfort her in this difficult time. Angel took a picture of the dog, framing it and giving it to the resident. She also had a hand-crafted urn made and organized a "12 Days of Christmas" to cheer this resident up and make the season happier. Angel oversees all the activities and transportation. She is great about incorporating new activities that residents would be interested in. For example, she recently organized "Legacy Walkers" to have a daily walk. Angel does so well to treat all residents with kindness, always has a smile on her face and brightens up every room. We appreciate all she does for our residents and our building!

Resident of the Month: June Holbrook

June Holbrook was born in June of 1924 in Clinton, Utah. She was raised on a farm in Clinton with 7 siblings. After finishing high school, June re-connected with J.R. Holbrook, who she had previously seen only once. He came to her cousin's Christmas party, they went on a date on Valentine's Day, got engaged on March 5th, and were married April 23rd, 1943, in the Salt Lake Temple. They had a happy marriage of 74 years. June and J.R. lived in West Point, as J.R. farmed with his father there. June worked for 14 years as a deputy sheriff, mainly giving written tests for people obtaining their driver's licenses. June sang with the Ogden Arsenal Bombardiers Orchestra. She later became part of a women's trio that sang for a variety of events, which she eventually stopped to spend more time with her family. June loved to cook and helped take care of the garden with J.R. June loves owls and really enjoys making friends and spending time with her family. June has six children (3 boys and 3 girls), 16 grandchildren and 99 great-grandchildren. We sure love June!
