Personal Touch Story

Katie Miggin - Certified Nursing Assistant

Katie Miggin worked at Legacy House from 2014-2015, went on a mission and returned in December of 2016. Katie has always been an amazing C.N.A., doing every job with a smile. Her happy personality creates a great atmosphere for our other staff and for our residents. She

is willing to pick up extra shifts when needed and works well with every co-worker. Katie is a dependable worker and makes sure things get done. When working in the cottage, she takes initiative and makes sure all the residents are involved in a fun activity. When we filmed for our virtual tour, Katie was not asked to help out, but stepped in and did a great job of cleaning and shining everything to look perfect! Katie always has good ideas and suggestions for how to care for the residents and make sure their needs are being met. She also took the time to clean out the cottage laundry room during her break. She noticed the need and went to the extra effort to organize it all. There were some broken items and donated clothing we are not using. Katie disposed of unusable items and took the clothing after work down to the D.I. We are always impressed by Katie and are very grateful to have her here!
