Personal Touch Story

Dillon Sondergaard - Certified Nursing Assistant

Dillon started working at Legacy House in August 2017. He has proven himself to be a great benefit to our community and our residents. Dillon is very dedicated to helping the residents. He has endless patience and is so kind with every resident. Dillon truly thinks of others first and makes sure residents' needs are met. At the end of every mealtime, you will always find Dillon checking on residents who have not been down yet. He will run trays and check on residents before worrying about his own lunch. One time, he helped a resident who had previously refused shower help, and took the time to make sure the resident had a very thorough shower. All the residents love having him around! Dillon also stays busy helping the staff of Legacy House. Even if it concerns something in another department, Dillon will frequently step in to help. He is always quick to help the other aides with the residents in their halls. Even when he has a spare minute, he is found charting or reading the communication log. He is continually involved in making our community a great place for everyone to be. Thank you, Dillon!

Resident of the Month - Bryant Gile

Bryant Gile was born in July 1949 in Burlington, Vermont. Although his parents expected a girl, instead, they got twin boys, one of which was Bryant! He was raised in Richmond, Vermont, with three brothers. Bryant went to college at the University of Vermont, then worked at a discount health and beauty store, a TV appliance store, as a ticket agent at the Vermont transit bus company, and sub rural mail carrier. He was introduced to Judy, a nurse, by a matchmaker in their LDS ward. Their first date was to a Gold and Green Ball, then they frequently saw each other as she came to visit Bryant at the bus terminal where he worked. They married in the Salt Lake City temple, then returned to live in Richmond, Vermont. Bryant took over for the mail carrier he had been subbing for, and worked as a rural postman for 33 years! He has four daughters and eight grandchildren. As his daughters and their families eventually settled in Utah, Bryant moved across the country to Layton, then up to Logan! Bryant loves photography, reading, and staying up to date on the news. We are so glad to highlight Bryant this month!
