Personal Touch Story

Nicholas Haynie: Med-Tech/C.N.A.

Nick Haynie worked in the dining room of Legacy House from 2015-2016. During this time, he met Bailey Struchen, a C.N.A./Med-Tech at Legacy House, who is now his wife! Nick later returned in November of 2017 as a

Certified Nursing Assistant. Now he works primarily as a Medical Technician, in which he is an outstanding worker! Nick has the kindest way with residents. He is always looking out for the best interest of each person and is willing to do whatever he can to help. He always stays positive and is very patient with people. As a result, residents and staff members feel very appreciated by Nick and love to interact with him. A lot of Nick's co-workers respect him and all he does. Nick is very observant. He notices and takes care of small details. A resident's family was with their loved one while he was passing away. Nick got them fresh coffee and was very attentive and made sure they were comfortable during this difficult time. The family truly appreciated Nick going out of his way to ensure that they had everything they could have wanted or needed. We appreciate all that Nick does for everyone at Legacy House!

Resident of the Month: Gladys Hansen

Gladys Marie Hansen was born in Providence, Utah, in August of 1931. Gladys later met her soon-to-be-husband, Raymond Hansen, at a softball game. Raymond was on the opposing team, and they started dating shortly after. They were married and sealed in the Logan, Utah temple in 1954. Gladys was a happy mother of seven children: five, boys and two girls. In 1959, Gladys and Raymond moved to California with the Military and stayed there for 40+ years. Gladys worked as an assistant for a doctor for a couple years, but what she loved most was being a mother. She found great joy in her children. They moved back to Logan, Utah, where she enjoyed spending her time with her 16 grandchildren and four great-grandchildren. Gladys loves to cook, read scriptures, plant flowers, and to be outdoors. Throughout her life she loved writing in her journal and playing sports with whatever was available. Gladys has always been a very happy, positive person, enjoying life to the fullest. We are so grateful to have Gladys as our resident of the month to highlight the wonderful person she is!
