## Personal Touch Story

### Hayden Neerings - Marketing Director

Hayden started working at Legacy House in April 2013 as a certified nursing assistant. Hayden was promoted many times, moving from full-time med-tech, to Assistant Resident Care Coordinator, to Administrative Assistant, and finally to Marketing Director.

Hayden goes above and beyond in every department she has worked in. She would give the shirt off her back to a resident or family member in need. She stays after hours, works weekends, and calls to check on potential residents and family members throughout each day. In resident satisfaction surveys, Hayden's name is frequently mentioned with appreciation. Recently, a resident needed to go to the hospital and we were not able to reach the family. Though it was after her shift, Hayden jumped in her car, took the resident over, and stayed with her so she didn't have to be alone. One of our employees had to undergo two knee replacements this last year. Hayden made it a point to visit her on both occasions and bring her flowers and a card. Hayden, we wish you the best of luck in your new role as Mom this Spring. From all of us at Legacy, thank you for all you do!

## Resident of the Month: Gayle Hobbs

Gayle Hobbs was born on September 17th, 1927, in Logan, Utah. Gayle grew up in the "island" below the temple in Logan. Gayle met Virgil Hobbs at Elite Hall in Hyrum at a dance. They married in December 1946 in Preston, Idaho, and were later sealed in the temple in December 1961. Gayle worked at Montgomery Wards for about 10 years, then worked at Logan Regional Hospital for about 18 years. Gayle also cared for her mother for several years after she had a stroke. Gayle loves crocheting (has made an afghan for each grandchild). She bottled fruits and vegetables until just a few years ago, made lots of homemade candy at Christmastime, and makes a wonderful fruit cake. Gayle took great pride in her roses, worked as an ordinance worker in the Logan Temple, and has a beautiful Christmas tree made out of jewelry. Gayle has three sons that live in Cache Valley (Lynn, Steven, Rodney), three daughters that live outside of Cache Valley (Linda, Diane, Ladawn), 32 grandchildren, 83 great-grandchildren and 10 great-great-grandchildren. We love Gayle!
