New Administrator

Haylee Johnson - Marketing Director

We are glad to welcome Haylee to our management team at Legacy House of Logan! Haylee grew up in Providence and has lived in Cache Valley for her whole life. She went to Mountain Crest, then earned her LPN license from Bridgerland in 2008 and an associate degree of nursing from Weber in 2013. Haylee married Nick Johnson in May 2017.

They have a very spoiled shih-poo named Zoe. Haylee loves to eat Mexican food, and enjoys cooking things that are easy, especially using her Crock-Pot/Instapot/air fryer. Haylee loves anything to do with the ocean and beach. She loves humpback whales and tries to visit a beach at least once a year. In her spare time, Haylee loves to do crafts, string art, and read. She loves fresh, organized spaces, so she enjoys cleaning, too! She also enjoys camping and spending time outside with her husband. Haylee has worked with Signature (previously Access) for the last 10 years. She worked as a nurse for 6 years, then 4 years as office manager/patient care coordinator/aide scheduler/intake coordinator. We are glad to have her experience on our team!

February 2019

Resident of the Month - Cleta Bassett

Cleta was born and raised in Logan. She met Norman Bassett in high school. They were married in Logan and had two children. Norman was called and served in the Western Canadian mission for two years. After returning, they had three more children. While in Logan, they owned and operated a mink farm. Clela worked as a medical assistant and x-ray technician for two orthopedic surgeons. Later, the Bassetts moved to North Ogden, to be closer to Norman's work at Thiokol. Clela continued working in the medical field a few years. During this time, she received her high school diploma. She worked as a tax examiner assistant for the IRS. After retiring, she joined her husband as an ordinance worker in the Ogden temple. The Bassetts moved to Smithfield to help care for their parents, then built a home in Garden City. Clela was called to extract German records and records from Ellis Island immigrants. Later in life, she developed and pursued a love for oil painting, and compiled an amazing book of family histories. Clela has 14 g-children and 24 great-g-children. We love having Clela here!
