Personal Touch Story

Abigail Baune- Medication Technician

Abigail Baune started working for Legacy House in September of 2017 as a Certified Nursing Assistant. Over time, Abigail has excelled in the nursing department and has become our full time Medication Technician. She has always had an eye for detail and will frequently assist in

level-of-care meetings, general staff meetings, and day-to-day functions and changes for our residents. Recently, Abigail noticed a resident out in our parking lot trying to start his car. She could tell that he was struggling and needed someone to jump his van due to a dead battery. Abigail had jumper cables with her and jumped into action. This resident was so grateful for all Abigail did to help him get his car up and running. This was one of the many simple and kind gestures that Abigail has done for our residents. She is a great example of compassion and lives our culture on a daily basis. Thank you, Abby for all you do!

Resident of the Month - Dorothy Stringham

Dorothy Stringham was born May 26th, 1924 and grew up in Benson, UT. She is the youngest in her family with 8 older brothers and 1 older sister, and she loved being the baby of the siblings. As a teenager, Dorothy worked in a canning factory until she moved to Logan to attend Utah State University for two years. While at school, Dorothy participated on the Archery team and was crowned the Champion Archer in 1943. As an adult, Dorothy worked in an office until she met Briant Stringham shortly after his mission. They were married in the Logan Temple for time and all eternity in the spring of 1945. Together, they had 5 children, 4 boys and 1 girl, and their family has grown with a wonderful posterity of 22 grandchildren, 80 great-grandchildren, and 3 great-great-grandchildren. Dorothy is a social butterfly and loves people. She can find the good in anything. Dorothy also loves archery, working in her garden, doing needlework, and collecting Danish plates. We love Dorothy!
